Dear Patron:

As you may or may not know, the Hooker Public School Board of Education passed a charge policy for school lunches at the November School Board Meeting. Beginning in January students will be allowed to charge a maximum of twenty (20) lunches. If current bill is not paid at that time, the student will be fed an alternative meal until current bill is paid up.

We suggest that you pay your children's lunch bills by the week or month. You may bring or send payments with your students to the Elementary office or payments may be sent to:

Hooker Public School

Thank you for your support in this very important matter.

Sincerely,

Freida Burgess
Superintendent
